

Telephone Bullets on COVID-19 Screening April 6, 2020

- Drive by testing is available – appointment is preferred
- Testing is for the SARS-COV-2 virus that causes the COVID-19 Syndrome
- The test requires a nasopharyngeal (nose) or an oropharyngeal (mouth) swab or coughing up deep sputum
- Cost of the test will be from \$51 to \$76 and your insurance may cover all or part of the cost
- A pre-test form must be filled out and post-test instructions will be given
- You will receive oral and a written report as soon as your results come to us
