Re: Easter Break

The COVID-19 crisis has added extraordinary stress to that of the already hectic pace of activity in our Clinic. Please know that I appreciate the work that each one of you performs daily. Our mission of caring for the chronically ill and underserved is being fulfilled as a result of your dedication and willingness to do whatever is necessary for our patients.

In order to allow us time to refresh and to rejuvenate, I am extending our Easter hiatus from what would have been April 10 – 12 to the period of April 9 – 12. I expect us all to return to work on April 13 with renewed energy and vigor in resuming our work, particularly our activities relating to the chronic diseases of our patients and to the COVID-19 crisis.

Have a blessed Easter.
